100m

800m

4x200m Relay

400m

300m Hurdles

1600m

200m

4x400m Relay

**Entries:** One relay team at each level and two individuals at each level (Varsity & F/S). All entries must be made online by **11:00pm, Thursday, April 7<sup>th</sup>**. We will send out an on-line invitation to register for the meet by Monday, April 4<sup>th</sup>. We will be using [athletic.net](http://athletic.net) for meet entries. Because this is often the first outdoor meet on many team schedules, turning in legitimate seed times for certain races (100/300 hurdles, 4x100, etc.) is not possible. Our goal is to have competitive heats and fair heat/lane positions as much as possible, so please use your best coaching judgment to estimate times for those events not run during the indoor season.

We will also run an **Open 1600m Run and an Open 100m Dash**. You can enter unlimited number of athletes in those events. You must make online entries for these events as well.

**Attention: Girls Track Coach**

**Downers Grove South Mustang Invitational  
Saturday, April 9<sup>th</sup>, 2016**

- Scoring:** All relays and individuals will be scored to 6 places (10-8-6-4-2-1).
- Awards:** 1<sup>st</sup> Place Team Trophies for each level. Medals for 1<sup>st</sup> – 5<sup>th</sup> place for the Varsity and Ribbons for 1<sup>st</sup> – 5<sup>th</sup> place for the Frosh/Soph.
- Misc:** We will be using FAT timing; please remind athletes to stay away from the finish line. Make team camps in the bleachers or the area surrounding the bleachers. There will be a hospitality room available for coaches and adult workers. Concessions and T-Shirts will be available for athletes.
- Workers:** We are asking each school to provide 2 competent field event workers to run each of the field events. DGS will have student helpers at each field event as well. We also would like each school to provide a coach to supervise exchange zones during the sprint relays. Schools will be assigned to the following field events and exchange zones. Please let us know ASAP if there is a need to rearrange the worker assignments.
