**Scoring:** The Varsity team score is determined by adding the individual places in each flight. Teams must start 7 runners and finish at least 6 to earn a team score. If a team only finishes 6 runners, it will receive a credit for last place in the flight where it did not have a finisher. If 2 or more teams fail to finish a runner in the same flight, all such teams will receive the same score, last place. If a team fails to finish 6 runners, its results will be dropped from team scoring. A tie in the team results is broken by the better finish place of the competitors in flight #1.

- Awards:** Top 10 each flight — medallions presented at awards ceremony  
 Top 5 teams — plaques presented at awards ceremony  
 Ribbons 1—50 for both Open Races will be given at end of meet in a team envelope

**For Sale:** Long-sleeved Classic heather-navy T-shirt for sale and a nicely stocked concessions area.

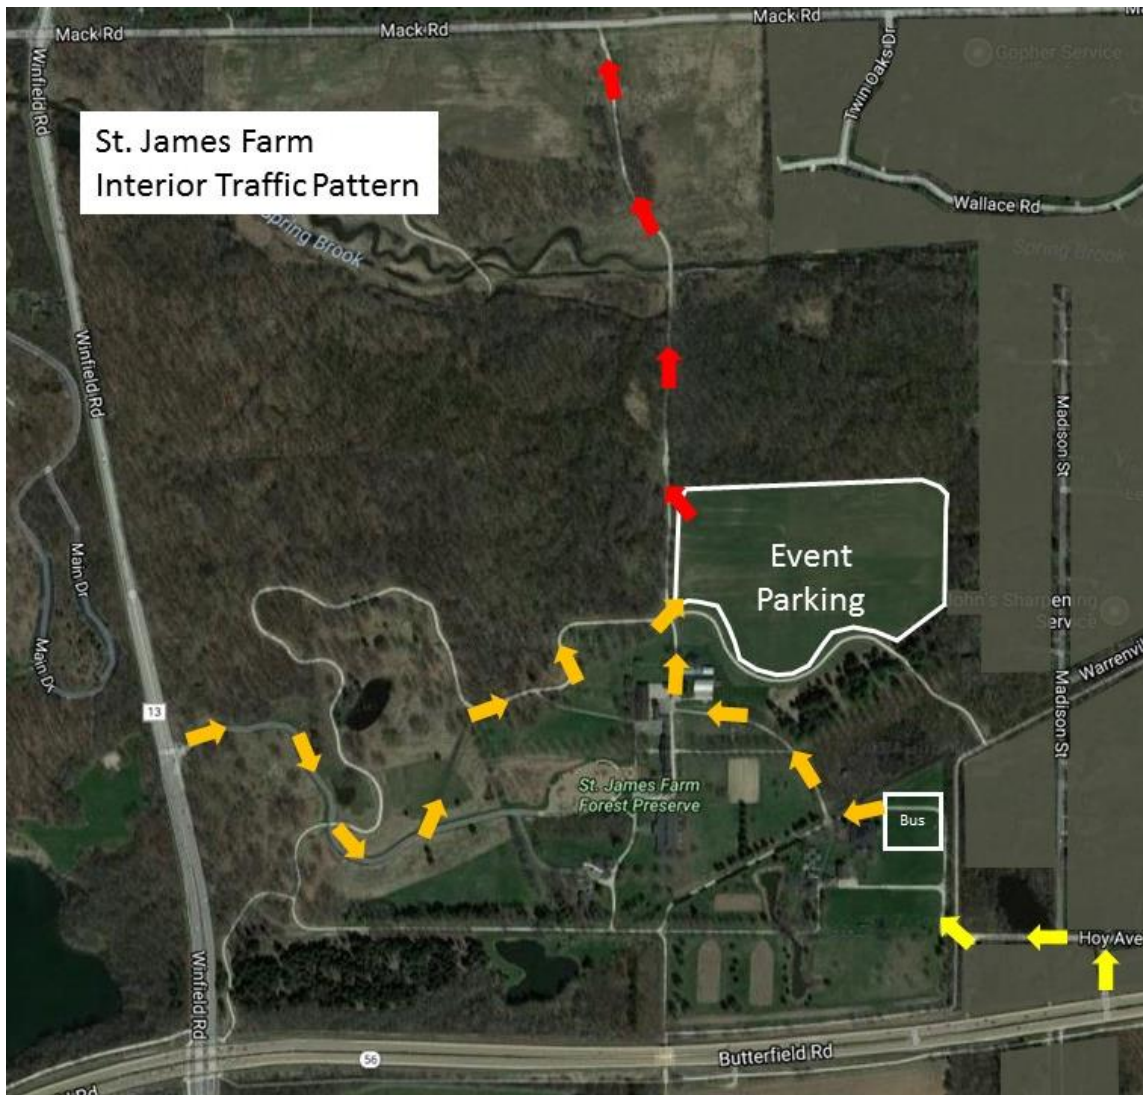

**Course:** There is nothing changed about the course this year except that the finish alley lost about 9 trees. There is a bathroom in the building by the team camps (Indoor Riding Arena) with indoor plumbing that is **NOT** for the athletes. The forest preserve has asked that it *only* be used by coaches and spectators. Port a Pot bank will be located across from start line.

**Parking:**

**Buses** will drop off in main lot off of Winfield Road (just north of Butterfield) near team camps. Following drop off, busses will be rerouted to **Hoy Ave** entrance (take Butterfield Rd. East, Left on Madison, left on Hoy). Please load your bus in the Hoy lot following the conclusion of awards. We will continue to park buses in a manner that allows for easy out and expedited departure. Following the conclusion of the meet, all buses will depart bus parking via Hoy Ave. Teams will walk to their buses in the bus lot after the meet.

**Spectators** will enter from **Winfield Rd.** entrance and park on site in a separate area, following directions of parking marshals. Access road to **Mack Rd. is a one-way road for spectator EXIT ONLY.** Vehicle route map is above; please distribute to your team or post on your team website. Please urge your parents to arrive early to allow time to park and walk the ½ mile to the course.
