**RUNNER ID:** All runners will attach their preassigned computer chip to each running shoe. Each coach is responsible for returning chips in team bag to dropbox. There is a \$10 per chip fee for each missing chip.

**SCORING:** determined by adding the individual places in each flight. Teams must start 7 runners and finish at least 6 to earn a team score. If a team only finishes 6 runners, it will receive a credit for last place in the flight where it did not have a finisher. If 2 or more teams fail to finish a runner in the same flight, all such teams will receive the same score, last place. If a team fails to finish 6 runners, its results will be dropped from team scoring. A tie in the team results is broken by the better finish place of the competitors in flight #1.
