

KANELAND HIGH SCHOOL – LARRY EDDINGTON INVITATIONAL VARSITY COURSE – 2024 – 2.93 MILES

This course modification was necessary because of the construction with our new track runways. Our hope is that this course will run well for all competitors and we will be back to our original course in November 2024. Thank you for your patience with this transition to a new route that will allow for even better viewing on the final mile of the race. **ALL COACHES AND FANS are to stay out of the RED ZONE on this map, at all times.** This is to protect the integrity of the racing surfaces as well as the fields our Kaneland teams use for practices and games. **Thank you for your cooperation and understanding.**

**This course will ONLY be used if it is determined to be too warm on Race Day.** We will make that call on Tuesday, September 17th, based on forecast temperatures. Coaches and AD's will be notified by David Rohlman via email. See meet information for details on the potential change. **ALL COACHES AND FANS** are to stay out of the **RED ZONE** on this map, at all times. This is to protect the integrity of the racing surfaces as well as the fields our Kaneland teams use for practices and games. **Thank you for your cooperation and understanding.**
