PLEASE READ about Parking Instructions

For the upcoming St. Charles North Invitational there will be a variety of parking options. Please read the following options carefully. We are working with the Forest Preserve District, the police, and the fire department to ensure a smooth and efficient process. **If you have a coach that needs to drive to the meet, please email Coach Shari Hayes so you can be added to the parking pass. (Shari.Hayes@d303.org)**

Busses

Busses will be allowed to drop off teams near the barn and depart to North HS. **We have very limited parking for this event this year.** If there is a potential for inclement weather, please plan to have your bus stay close and have a way to communicate with your driver. We will make arrangements for small buses to stay on site. We might have some parking available for big buses, but we will not know this until the week of our invitational.
